

## Self-Assessment Checklist

### Which Deal Makes Sense? Let's Justify It.

#### REASONING

*Tick the face that best shows how your learning went today.*

*How well did I reason mathematically about the discounts?*

	 <b>Not yet</b>	 <b>With help</b>	 <b>Did it well</b>
I identified which discount claims were reasonable or unreasonable.			
I estimated savings to help judge whether an offer made sense.			
I justified my choice of calculations (fractions, percentages or total cost).			
I evaluated misleading claims (e.g. "up to") and defended my conclusion.			

**One thing I understand better now about discounts is:**
